

CHAMBER OF COMMERCE
WASHINGTON COUNTY

ANNUAL
SPONSORSHIP

2024

Dear Chamber Friend,

Here's to 2024! The Chamber has continued to evolve and transition to meet the needs of our Chamber Members and community, and we plan to do the same as we enter this new year. We have been preparing and have established our plan of work for each committee, and these plans are now ready to be put in place. The Washington County Chamber of Commerce is focused on 2024!

We have created a listing of the 2024 sponsorship opportunities for you to review. You have the opportunity not only to attend but also financially support these programs as well.

Enclosed, you will find descriptions of the 2024 sponsorship opportunities. Last year we made a change, a good change we would like to continue this year. As you take a look, you will see that sponsorship is for the entire Chamber. Your contribution will allow the Chamber to continue and improve programming and initiatives for the 2024 year. By having Chamber sponsors, we will be able to market you at all Chamber events and activities. Once we receive your selection, we will be in touch to confirm all details with you. We have found that this is a much more efficient way to handle Chamber sponsorships, by giving you the information at the beginning of the year. Aside from the Kaolin Festival, this will be the sole sponsorship request we plan to initiate for 2024.

At the end of the day, we are here to act as a resource, and we appreciate your support of our mission. Please do not hesitate if you need us for anything - we are here to serve you!

If you have any questions, please reach out to me.

Sincerely,

kmoncus

Katie Moncus, President
Washington County Chamber of Commerce
