

Opening:  
Marketing & Communications Manager

Seeking a person who has high energy, a team player, and is a self-starter to serve in the role of Marketing & Communications Manager. This person will oversee the entire marketing and communication duties for the chamber and county. This role serves to tell the story of our community. This person will work with both the President of the Chamber & other community, regional and state partners. Duties include creating, maintaining and managing marketing efforts for the chamber.

Full Job Description can be found online at [www.washingtoncountyga.com](http://www.washingtoncountyga.com) or available at the Washington County Chamber of Commerce office.

Qualified applicants should submit resume and supporting documentation to [kmoncus@washingtoncountyga.com](mailto:kmoncus@washingtoncountyga.com) or 603 S Harris Street Sandersville, GA. Applications will be accepted until August 30th.

All employment is contingent on the successful completion of a drug screen and background check. Candidate must be legally eligible to work in the US.
